Ontex Resources Limited Completes Non-Brokered Private Placement

London, Ontario, September 5, 2008 - Ontex Resources Limited (TSX: ONT) is pleased to announce that it completed today its previously announced non-brokered private placement for gross proceeds of \$500,000.

The non-brokered private placement is addition to the previously announced brokered private placement for up to \$3,900,000 led by Primary Capital Inc., which is scheduled to close later this month.

Pursuant to the non-brokered private placement, Ontex issued 1,250,000 units ("Units") at a price of \$0.40 per Unit with each Unit comprised of one common share ("Common Share") and one common share purchase warrant ("Warrant"). Each Warrant shall be exercisable for one Common Share at a price of \$0.65 per Warrant for a period of 24 months. In the event that the Common Shares close at or above \$0.85 for 20 consecutive trading days at any time after the period of four months and a day from the closing date, the expiry date of the Warrants shall be automatically reduced to that date that is 30 days after the date Ontex provides written notice to the holders of the Warrants of the new expiry date. Proceeds from the sale of the Units will be used for exploration and development and general working capital purposes.

Forward-Looking Information

This news release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, information with respect to Ontex's proposed private placements and its exploration plans. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects", or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "does not anticipate", or "believes" or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might", or "will be taken", "occur", or "be achieved". Forward-looking information is based on the opinions and estimates of management at the date the information is made, and is based on a number of assumptions and is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Ontex to be materially different from those expressed or implied by such forward-looking information, including risks associated with the exploration, development and mining industry such as economic factors as they effect exploration, future commodity prices, changes in foreign exchange and interest rates, actual results of current exploration activities, regulatory approvals, government regulation, political or economic developments, environmental risks, permitting timelines, capital expenditures, operating or technical difficulties in connection with mining or development activities; employee relations, the speculative nature of gold exploration and development, including the risks of diminishing quantities of grades of reserves; risks involved in the exploration, development and mining business, contests over title to properties, and changes in project parameters as plans continue to be refined as well as those risk factors discussed in Ontex's Annual Information Form for the year ended December 31, 2007, available on www.sedar.com. Although Ontex has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. Ontex does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
